

APPLICATION FOR A FRONT ROW TO GO SOUND FIELD SYSTEM

This is a new service being provided by Lions Hearing Dogs Incorporated. We will be supplying a limited number of systems each year right across Australia. The funds that allow us to offer this service come from a legacy from the estate of the late Beth Klugh. Applications will be based on merit. Should your application be approved but we have reached our quota for that year then your application will be held over for the following year. We will arrange the purchase and installation of the equipment and the school will be required to sign an agreement to maintain the equipment which remains our property. Should you no longer have need of the equipment simply advise our office and we will arrange to have it uninstalled. You may attach any supporting letters to this application. If approved we will be involving your local Lions Club in formally presenting the equipment to the school. This equipment is only available to Primary schools.

School			
Contact name			
Email address			
Contact	Telephone	Fax	
School Postal Address			
Has the school used this equipment before? Tick one box.	Yes	No	
Does the school already have this equipment in use? Tick one box.	Yes	No	
How did you learn that Lions Hearing Dogs Inc. was providing this service?			
How many hearing impaired students do you have?			
The equipment has benefits for those students who suffer from one of the various attention deficit disorders. Do you have any students in this category, if so please indicate the number enrolled.			

The equipment we intend to provide is a Front Row active learning system. Should you wish to discuss this matter or obtain a brochure please contact our Centre Manager Bill Holmes during our office hours of 8.30am to 4.30pm Monday to Friday - contact details follow
